## WHAT IS LAVA?

LAVA is when three prolific and acclaimed voice actors get together and get real silly. This show is a high-energy, balls-to-the-wall, audience participation, multimedia driven fan-friendly experience! It can run 60 or 90 minutes, and consists of several interchangeable segments that are constantly being updated. Giveaways, audience participation, music, video, and more are all instrumental to this production!

## WHO IS IT FOR?

LAVA has been engineered for any nerd convention-goer - Robbie, Max, and Ray have legs in the video game, anime, animation, and comic book worlds.

There are two types of shows:

1. LAVA Lite - a PG show for most convention goers
2. LAVA After Dark - the late night show for adults only...

## WHAT ARE THE SEGMENTS?

The show is always being tinkered with - segments are updated to reflect audience tastes, and new ideas are always being brought to the table. Nonetheless, here are some mainstays that you will almost certainly see:

### THE SHIPPING GAME

Like “The Dating Game”, but with cosplayers from the audience! Two cosplayers will be selected to interview and participate as one of the three bachelors (along with Robbie, Max, or Ray) who will be playing as if they were characters they’ve played in video games, anime and cartoons (based on audience suggestion!)

## FOLEY MOLEY

Our voice actors create a wild and zany Anime scene from scratch, using audience suggestions. Then two lucky volunteers, using only their mouths, do their best to make the sound effects! Is that a valiant hero using Wind Style to vanquish their enemy, or merely a toot in the breeze?! We're not entirely sure... but one thing we æ^ sure about; it's hilarious!

## WE NEED MORE COWBELL

One audience member is bestowed a mighty and righteous power: The Cowbell of Destiny!! At any time during the show he/she/they can ring it three times, then all of the action stops and our resident beatbox master Max Mittelman will break it down (even at the most inopportune moments).

## WALKIN' WITH WALKEN

A magical journey begins as two Christopher Walkens (Robbie & Max) meet in the Enchanted Forest one day. The adventure they embark upon (created by the narrator {Ray} and the audience) will be the stuff of legend. This skit in non-stop laughs, with a few twists & turns that audiences love!

## LATE FOR PANEL

Two of our actors host a full-on improvised "Comic-con" interview panel, with our third actor playing a VERY famous guest (living/dead/fictional/real chosen by the audience). The only problem is, they don't know who they are! Our discombobulated guest squirms, vamps, and sweats as they try to figure out their identity. It's an absolute audience favorite.

## CAN WE CHANGE IT UP?

What we love about this show is that each time it is completely different - we are very open to changing the show to cater to each city's unique taste and perspective, as well as incorporating special guests who are already attending the convention. Let us know who would like to play along with us!

## WHAT WE'LL NEED FROM YOU?

We provide all props, costumes, music, video, and sound effects ourselves.

1. A ballroom or arena, preferably with a raised stage and a great deal of room to move around.
2. A couple of chairs and tables for the sit-down portions of the show
3. Three (preferably wireless) mics for audience participation and a few more wired mics for around the table.
4. A dedicated AV team to help us ensure sound quality
5. AC power and HDMI video out for our powerpoint projection
6. 60 minutes before each show to rehearse tech with staff

## WHEN WE BOOK YOU HOW DO WE SCHEDULE ALL THREE OF YOU?

One of the best parts about booking Max, Robbie and Ray to do LAVA is not only do you get an awesome show, but the boys will still do a full, traditional convention appearance as well. Here is an example of what it might look like to have all three of us at your event.
